JOURNEY TO A SUCCESSFUL CAREER/SELF EMPLOYMENT- 4 CASE STUDIES

BY
ESTHER OLUDIPE (PHD)
HIGHWAY HOPE
MEaP, CHAIR
• What counts in life is not the mere fact that we have lived. It is what difference we have made to the lives of others that will determine the significance of the life we lead.”

• Believe that you can and you are half way there

• Many of life's failures are people who did not realize how close they were to success when they gave up.
1. Esther Oludipe

- Chair, Highway Hope Charitable Organisation

There are many routes to success in life. Ensure that you are on your own right path and not another’s.

Self Employment – Self discipline, knowledge, Creativity, Ambition, Risks, Hours, responsibility etc.

Employment Skills – Confidence, ability to work under pressure, self motivation, time management.
Thank you
